

LIFT CORNS OR CALLUSES OFF

Doesn't hurt! Lift any corn or callus off with fingers

Don't suffer! A tiny bottle of Frezzone costs but a few cents at any drug store. Apply a few drops on the corns, calluses and "hard skin" on bottom of feet, then lift them off. When Frezzone removes corns from the toes or calluses from the bottom of feet, the skin beneath is left pink and healthy and never sore, tender or irritated.

THE CRACK O' DOOM FOR NASTY CALOMEL

Folks Abandoning Old Drug for "Dodson's Liver Tone," Here in South.

Ugh! Calomel makes you sick. It's horrible! Take a dose of the dangerous drug tonight and tomorrow you lose a day.
Calomel is mercury! When it comes into contact with your bile, it crashes into it, breaking it up. Then is when you feel that awful nausea and cramping. If you are sluggish, if liver is torpid and bowels constipated or you have headache, dizziness, coated tongue, if breath is bad or stomach sour, just try a spoonful of harmless Dodson's Liver Tone tonight.
Here's my guarantee—Go to any drug store and get a bottle of Dodson's Liver Tone for a few cents. Take a spoonful and if it doesn't straighten you right up and make you feel fine and vigorous, go back to the store and get your money.
Dodson's Liver Tone is destroying the sale of calomel because it can not nauseate or make you sick.

R. D. No. 2, LOUISA

Mary Sammons, daughter of Wayne and Nancy Coburn, died November 10, 1919. She was married to Chas. A. Sammons at about the age of eighteen. She is survived by father, mother, husband and eight children. Most of the children are small. The writer has known her from early childhood. As a child she was uncommonly bright and intelligent. She lived nearly thirty-eight years to gladden the lives of all who know her. She was converted about ten or twelve years ago and united with the Louisa Baptist church. The baptismal rite was administered by Rev. S. P. Reynolds of Louisa. She was a faithful christian, a loving wife and a devoted mother and a kind and affectionate neighbor. Funeral services were conducted December 1, at her home by her cousin Ed. W. Lambert and the writer in the presence of a large number of relatives and sympathizing friends, after which the remains were taken to the family burying grounds. To family and friends we would say, cheer up, Mary has gone where no baneful cancer can reach her again. H. W. LAMBERT.

A Word About the Fresh Meat Business

We feel justified in asking for the patronage of the people of Louisa and vicinity in the Meat line because we conduct the business all the year around. It has been the practice here for many years for one or more persons to engage in the fresh meat business during the more profitable season and drop out when warm weather comes with reduced demand for meat and with the heavy expense for ice, etc.

When the price of cattle dropped recently we reduced the price of meat accordingly. It is our intention to treat the public right at all times and to give the best service possible.

We also carry a good line of Groceries and will appreciate your patronage.
